

Departure results REPORT

Within the framework of the grant project AP 26198915 on the topic: «Modernization of cybercrime investigation mechanisms in the Republic of Kazakhstan», carried out within the framework of grant funding from the Committee of Science of the Ministry of Internal Affairs of the Republic of Kazakhstan for 2025-2027, to collect empirical material, from December 21 to December 25, 2025, a project participant Kudaibergenova S.K. visited Astana.

According to the schedule, meetings were held with representatives of the National Bank of the Republic of Kazakhstan:

- Department of Payment Systems and Digital Technologies;
- Anti-fraud Center systems;
- the operator "National Payment Corporation";
- Department of Financial Stability and Research.

A visit was also made to the Ministry of Artificial Intelligence and Digital Development of the Republic of Kazakhstan.:

- Regional State Administration "Committee of Telecommunications, Ministry of Artificial Intelligence and Digital Development of the Republic of Kazakhstan";
- Regional State Administration "Information Security Committee";
- Department of State Control in the field of Personal Data protection.

During the business trip, working meetings were held with employees of the Department for Combating Cybercrime of the Ministry of Internal Affairs of the Republic of Kazakhstan, «IC Pharmacy» LLP.

As a result of the trip, practical material was collected, and an agreement was reached on joint work on countering cybercrime.
