

## Departure results REPORT

Within the framework of the grant project AP 26198915 on the topic: «Modernization of cybercrime investigation mechanisms in the Republic of Kazakhstan», carried out within the framework of grant financing from the Science Committee of the Ministry of Science and Higher Education of the Republic of Kazakhstan for 2025-2027, project manager Lakbaev Kanat Sametovich and project participant Talgat Akhmatzиеvich Khanov traveled to Kaliningrad (Russia) to collect empirical material.

According to the schedule, a meeting was held with the leadership of the Higher School of Law of the Immanuel Kant Baltic Federal University: Doctor of Economics, Professor R.G. Smelik and Head of the Department of Criminal Procedure, Criminalistics and Legal Informatics, Doctor of Law, Professor T.S. Volchetskaya. Issues of joint research on cybercrime prevention were discussed.

After the meeting, K.S. Lakbaev gave a leadership lecture with the 2nd year undergraduates of the University's Higher School of Law on the topic: «Trends and technologies of future crime development».

A meeting was held with the management and staff of the Department of International Relations of the I. Kant Baltic Federal University. Issues of deepening cooperation between universities and expanding the scope of scientific research were discussed.
