

Educational-methodical classroom "Management of restaurant and hotel business" hostel No. 1, room No. 9 (Junior Suite room)

Educational and methodical classroom "Management of restaurant and hotel business" is a "training hotel" and allows you to visually conduct lectures, seminars and SWST. The study is equipped as a semi-luxury hotel room and includes: bathroom and toilet room (sink, bath, toilet, Hairdryer and other accessories), bedroom (wardrobe, bed, TV, telephone, carpet, etc.), recreation room (refrigerator, TV, coffee table, etc.). Also, there is a reception "Reception", where students simulate the reception and accommodation of guests. Students get acquainted with the equipment of the hotel room and the organizational process of accommodation, booking, methods and principles of the process of guest service in the hotel.
