

# LEGAL CLINIC OF KARAGANDA ECONOMIC UNIVERSITY OF KAZPOTREBSOYUZ

## КЛИНИКА

## БЕСПЛАТНАЯ ЮРИДИЧЕСКАЯ ПОМОЩЬ

The purpose of the legal clinic - legal assistance and legal education of the population, the formation of students of the specialty "Jurisprudence" skills of legal assistance to socially vulnerable segments of the population.

Objectives of the Legal clinic:

1. "provision of free legal assistance to the population»;
2. Increasing the level of legal literacy of the population;
3. Ensuring access to justice in Kazakhstan with a focus on the poor;
4. Education of socially-oriented professional legal worldview;
5. Providing the educational process aimed at mastering the practical skills of the legal profession by students.

Often people in need of legal assistance can not turn to professional lawyers for various reasons. That is why our doors are open to all those who need legal advice. We attach great importance to improving the legal literacy of our clients.

We will help you, competently make statements and other procedural documents.

The legal clinic provides services free of charge. Assistance is provided by students of the specialty "Jurisprudence" KEUK under the guidance of the teaching staff of the departments of legal regulation of economic relations, General legal and special disciplines.

The legal clinic deals with civil, tax, family, labor, housing and administrative legislation.

We will be happy to help you without demanding anything in return. We find an individual approach to each client, conducting conversations and learning the details in order to restore justice.
